Ikea Named as One of The Worlds Most Ethical Companies for 2015 KEA, the world's leading homefurnishing retailer, has been recognized by the Ethisphere Institute as one of the World's Most Ethical Companies for 2010. Out of a record number of nominations for the award, IKEA secured a hard-earned spot on the list by going the extra mile, implementing upright business practices and initiatives that are instrumental to the company's success, benefit the community, and raise the bar for ethical
